Response to Line 920- Tribal Engagement Obligation

Canadian Valley Telephone, L.L.C. ("Company") serves the Choctaw Nation located in southeast Oklahoma. The Company reached out to the Choctaw Nation to initiate discussion of the Choctaw Nation's needs assessment and deployment planning, feasibility and sustainability planning, culturally-sensitive marketing methods, land use processes and compliance with Tribal business requirements per of 47 C.F.R. §54.313(a)(9). The Company has attached letters dated October 8, 2013 and October 18, 2013 to evidence its written attempts to establish communication with the Choctaw Nation. As a follow up to the letters, a Choctaw Tribal representative initiated a telephone conference with the Company wherein the parties discussed some specific plans for increased bandwidth to at least one site.

The Choctaw Nation has been named one of President Obama's "Promise Zones," requiring the Choctaw Nation to partner with local entities to bring economic opportunity to the area. The Company looks forward to continuing to work with the Choctaw Nation to advance its goals, by continuing to bring advanced telecommunications services and broadband services to all individuals and small businesses within the Company-served areas of the Choctaw Nation.
